**B. Further discussion on the Educational Pamphlet:**

The members were in agreement that they liked the pamphlet as it was with no further revisions. Mrs. Dockery wanted to know if we knew anything about whether or not we were going to utilize the new symbol. Mrs. Brown asked her for a copy of the symbol which she forwarded via her phone. The members agreed that if the symbol was adopted nationally then it would be easier for this board to use it. A copy of the symbol is attached for easy reference.
